General Comment

I do not want any new or modified regulations regarding this matter. I want the government to restrict its action to the enumerated powers in the U.S. Constitution and nothing more. As my Senator I expect you to vote my wishes and those of the majority of your constituents. I oppose this proposal and I expect you to oppose it as well. I will watch your action on this and related proposals closely and will either reward you with my vote or will express my displeasure with my future vote. Thank you for faithfully representing the people of the State of Florida. Robert DiStefano.
